

# **GENERAL ADMISSION REQUIREMENTS FOR ELECTRICAL AND ELECTRONIC ENGINEERING DEPARTMENT**

Applicants must satisfy the basic matriculation requirements of five (5) credits passes in five subjects including mathematics English, physics, chemistry, and one other science subjects.

## **1 POST GRADUATE DIPLOMA ADMISSION REQUIREMENTS**

Candidate with the following qualifications are eligible for admission provided they meet the UME requirements for admission into Electrical/Electronic Engineering undergraduate program.

- Higher National diploma (HND) in Electrical/Electronic Engineering with at least Lower credit.
- BSc., B.Eng. Or B.Tech in Electrical Electronic Engineering with at least a pass degree.
- HND in Communication Engineering (COE), Electronic and Computer Engineering (ECE), and Power System Engineering (PSE) with at least Lower credit.
- B.Sc, B.Eng, or B.Tech in Communication Engineering, Electronic and Computer Engineering and Power System Engineering with at least a pass degree.
- Other related disciplines may be considered

## **2 Master (M.Eng) Degree Admission Requirements**

- All applicants must satisfy the basic matriculation requirements of five (5) credit passes in five subjects including mathematics, English and three science subjects (physics, chemistry and any other science subjects)
- A Bachelor Degree in Electrical and Electronic Engineering or other fields relevant to the program from an accredited University with a minimum of

second class Honours lower-division with CGPA of not less than 2.5 minimum.

- A Bachelor Degree in Electrical and Electronic Engineering or other fields relevant to the program from an accredited University with second class Honours lower division and a CGPA that is less than 2.5 or third class, in addition to a Post Bachelor Degree (PGD) in a relevant field of study from an accredited University.
- Any other qualifications as may be approved by the University senate.

### **3 Doctor of Philosophy (PhD) Degree Admission Requirements**

- All applicants must satisfy the basic matriculation requirements of five (5) credit passes in five subjects including mathematics, English and three science subjects (physics, chemistry and any other science subject).
- A Master Degree in Electrical Electronic Engineering or other relevant field of study from an accredited University with a minimum CGPA of 3.0 on a scale of 5.0 or its equivalent.
- Any other qualifications as may be approved by the University senate.
